

THE SPONSORSHIP COMMITTEE

Business Development

Thrive on the challenge of meeting and connecting with new businesses to drive the SMPS mission forward.

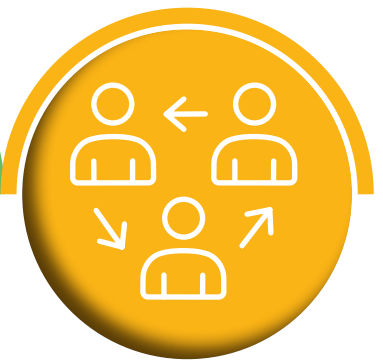

Networking

Enhance your networking skills through engagement with fellow members and our Board of Directors.

Communication

Maintain sponsor satisfaction by ensuring their comprehensive understanding of benefits and optimal utilization.

Organization

Monitor sponsor benefits, conduct member follow-ups, and ensure proper accounting for complimentary registrations.

About Us

Sponsors are essential for our chapter to provide benefits and resources to our members. Sponsorship opportunities include, programs, special events, media and annual sponsorships. The Sponsorship Committee identifies potential A/E/C sponsors, creating valuable business contacts, and establishes partnerships that benefit firms and members alike.

Apply Your Skills

You'll be a valuable member of the Sponsorship Committee by identifying potential sponsorship candidates, from individual events to large annual sponsors. Test your networking skills by establishing new business contacts and effectively communicating the benefits of an SMPS sponsorship. Serving on this committee provides relevant and valuable experiences that contribute to the advancement of our chapter.
